## Series Luna Llena

SURFACE MOUNTED

Surface-mounted lamp with an integrated, efficient, LED module and high colour-rendering index. A specially designed way of dispersing light evenly illuminates the lamp shade and the room, at the same time preventing the glare effect. The light fitting is available in two power versions - 20 W and 42 W to easily choose the right light intensity.

Ambient light. Ideal for commercial spaces such as clubs, galleries, hotels, and also for office and home lighting.
