Series Moi C

WALL MOUNTED

Moi C is a wall recessed luminaire which, thanks to its compact size and minimalist form, takes up little space while providing optimum lighting for reading with its mobile arm and optical lens for adjusting the lighting angle. Recessed version is available with a touchless switch. To switch the light on or off, you just need to move your palm closer to the luminaire. Also there is wall-mounted version.

Spot and wall mounted lighting. The luminaires will work perfectly at hotels, in art galleries, museums or restaurants, but also in residential spaces, as bedside lighting solutions.
