

2073 trilly

design emiliana martinelli, 2011

It is an outdoor lamp, with a simple shape, a single piece made of white polyethylene in rotational moulding, it is the mate for an evening on the terrace or on the lawn of your house. You can hang it with the orange cable to the branches of a tree, you can move it easily wherever you want thanks to the ergonomic handle. If you want to replace easily the bulb you simply have to unscrew the round closing element which is placed in the lower part of the lamp. For Led bulb. Cable for external use provided by lenght 5 mts and plug. Two size.

Degree of protection IP65 device - IP44 plug

2073 trilly
